A LETTER FROM SPOOKS

Greetings, mortals!
I'm SPOOKS, a good GHOSTLING . . . and I've been put in charge of the Ghostling Post Office! Deep inside the Tomb of Doom, I'll be organising all the letters you send to SuperNaturals. I want to see poems, drawings, jokes, creepy stories and lots of entries for the various features I'm outlining below. Some of the other Ghostlings will be helping me . . . so you can send as many letters as you want! If your letters turn into a flood, I'll get wet! Every reader who gets a mention on my pages, wins £5!

TRAPPED IN THE TOMB OF DOOM!

This is something you humans will like. Is there someone who really annoys you? A TV personality, a politician, a friend, a teacher . . . anybody! Send us details about them and why you'd like to see them illustrated, trapped in the Tomb of Doom. Then leave the rest to us Ghostlings!

The SCARY CAT CHALLENGE!

Old Scary Cat is a wicked old witch . . . and she's challenging you to send in a story idea which will scare her. Just a few words will do and she'll make your idea into a story.

If it's printed, you'll win £10!

WHAT HAPPENED NEXT?

That's the question we'll be asking you at the end of each instalment of an eerie story called THE DOLL. You'll have to guess just what does happen next. There'll be a £5 prize for the best idea!

GUEST GHOSTLING!

Who do you think would make a good Ghostling? Send us the name of the person you think could join us . . . and just which two characters they'd turn into! Your ideas had better be good . . . because us Ghostlings are something special!

All that, plus your jokes,poems, letters, drawings (as creepy as you like) and anything else you want to send. Here's the address: Spooks, Tomb of Doom, Fleetway Publications, Irwin House, 118 Southwark Street, London SE1 0SW.
